INSPIRED. INSPIRING.

The fanciful grillwork that surrounds Chicago's Lincoln Park signals to one and all: you have arrived. In a place that Carl Sandberg called, "the city of broad shoulders", Lincoln Park provides a green oasis, a leafy respite from the industrial hustle and bustle. Come feel its parklands, stately homes and sophisticated élan.

What is Étage?

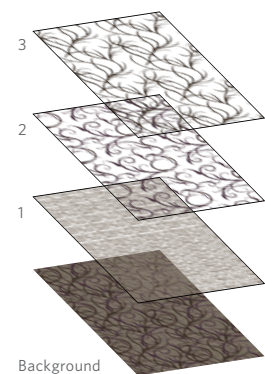

When it's time to break away from traditional hospitality looks, engage in étage technology. This all-new process builds a complex pattern, layer by layer. Creating a fully custom look is as simple as choosing and combining layers — layers of organic design elements that defy traditional ideas of symmetry, boxes and borders. Étage technology brings a kind of freedom of design never before known in the hospitality industry.

Each collection includes small-, medium- and large-scale elements for ultimate flexibility in defining rugs, runners and open areas. Combine broadloom and modular and get the best of both. Freedom. Control. It's all here, waiting for an artist's touch. Exclusively from Milliken.
