INSPIRED.

Learning is a journey. Life lessons may be received under a grove of trees, while engaging in work or play, but most often when least expected. It's during those unplanned moments that we decide if we want to paint inside the lines or perhaps, in the spirit of a child, add bold strokes of color to change our thinking and discover a new path forward.

INSPIRING.

Like the original Lyceum in ancient Athens, the two patterns in the Lyceum Collection allow for foundation building and provide individual control to create a new experience through made-to-order coloration. This robust severe-rated modular carpet consists of two patterns that capture the simplicity of movement through a balance of organic layers. Plato becomes the foundation with a line of 16 neutrals and 36 bright accent colors for selected placement. With a choice of one, two, or three colors from the accent palette, Plato becomes the brilliant Aristotle, reflecting an individual's brand character or spirit of the interior.

MOISTURE MANAGEMENT

Milliken modular carpet is a moisture mitigation solution all by itself. Unlike with hardback products, water vapor has a way to escape from beneath Milliken's cushion backing. It travels freely through our open-cell cushion, evaporating naturally through seams at the edges of each carpet tile. All modular carpet tiles come with a lifetime warranty against adhesive breakdown due to moisture vapor emissions.

CUSHION BACKING

Provides superior underfoot comfort while improving the carpet's durability and offering ergonomic, acoustic and environmental benefits.
» millikenfloors.com/cushion

SIT TO STAND

Avoid the hassle and expense of using anti-fatigue mats under sit-to-stand workstations. Milliken cushion backed carpet tiles have ergonomics built directly into the carpet tiles themselves.
» millikenfloors.com/sit2stand

TRACTIONBACK®

Our bio-based high-friction coating keeps carpet tiles securely in-place without additional adhesives, eliminating the need to prime or seal the floor thereby reducing installation time and costs.
