THE VISUALIZATION OF SOUND

UNISON

COUNTERBALANCE

IMPROMPTU

Introducing Major Frequency: Three, the latest installment of the inspired Major Frequency series. Featuring three emphatic patterns, Unison, Impromptu and Counterbalance, this round of expression discovers an authentic flow of colors in a free and unstructured environment.

MAJOR FREQUENCY: THREE

UNISON

Engage and intrigue with Unison. Featuring fluctuating tones and shade work, this pattern offers a pleasingly soft and effortless composition.

IMPROMPTU

Infuse movement and interest with Impromptu. Designed with a bold crosshatch detailing highlighted by pops of pigment, this pattern emulates the same unexpected richness of an impromptu musical performance.

COUNTERBALANCE

Introduce a collectedly linear aesthetic with Counterbalance. Showcasing a series of values and true linear forms, this pattern artfully explores the balance necessary to achieve perfect harmony.

COMPOSE YOUR MASTERPIECE

12 Counterbalance in Production CTB124-13-144. 25cm x 1m planks. Vertical ashlar.

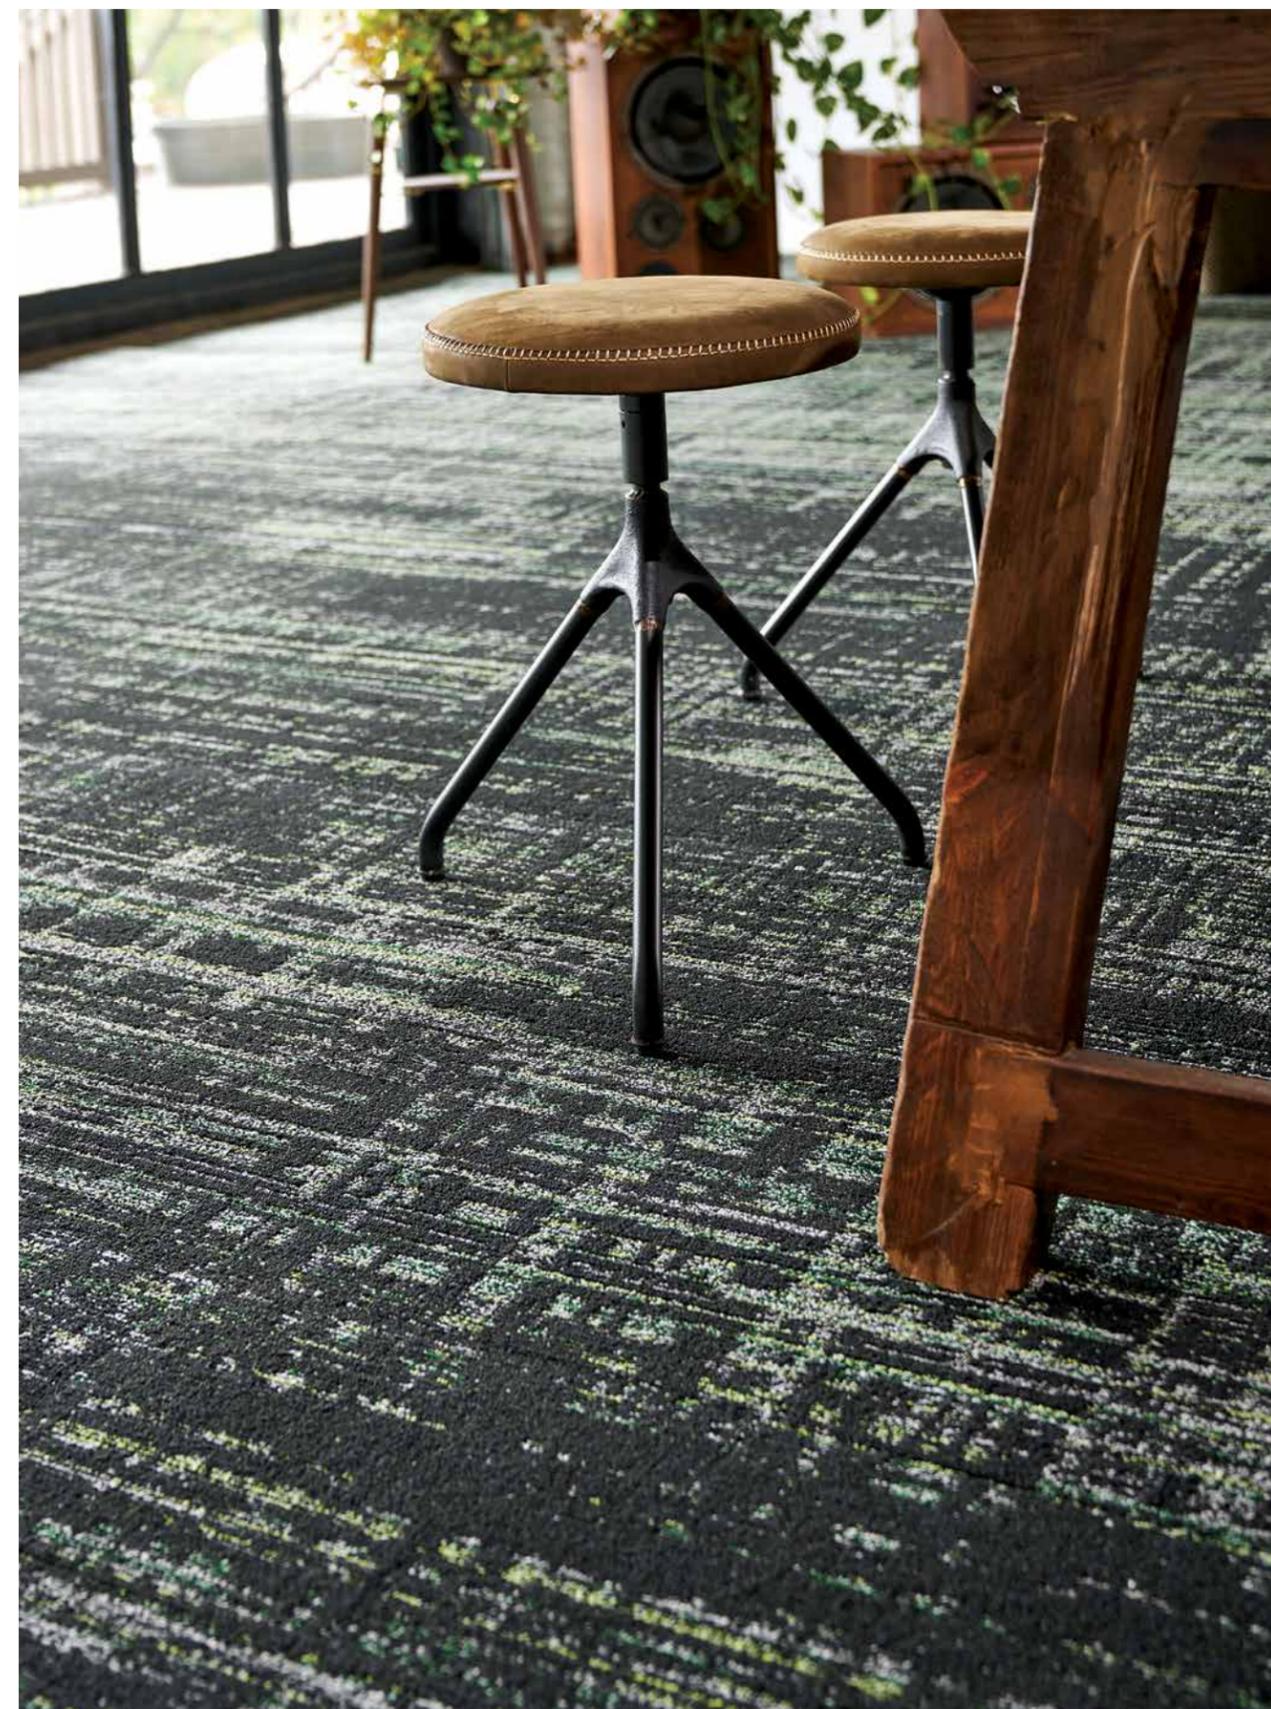

Counterbalance in Compression CTB27-180-79. 25cm x 1m planks. Vertical ashlar. 13

JAZZ UP YOUR SPACE WITH COLOR

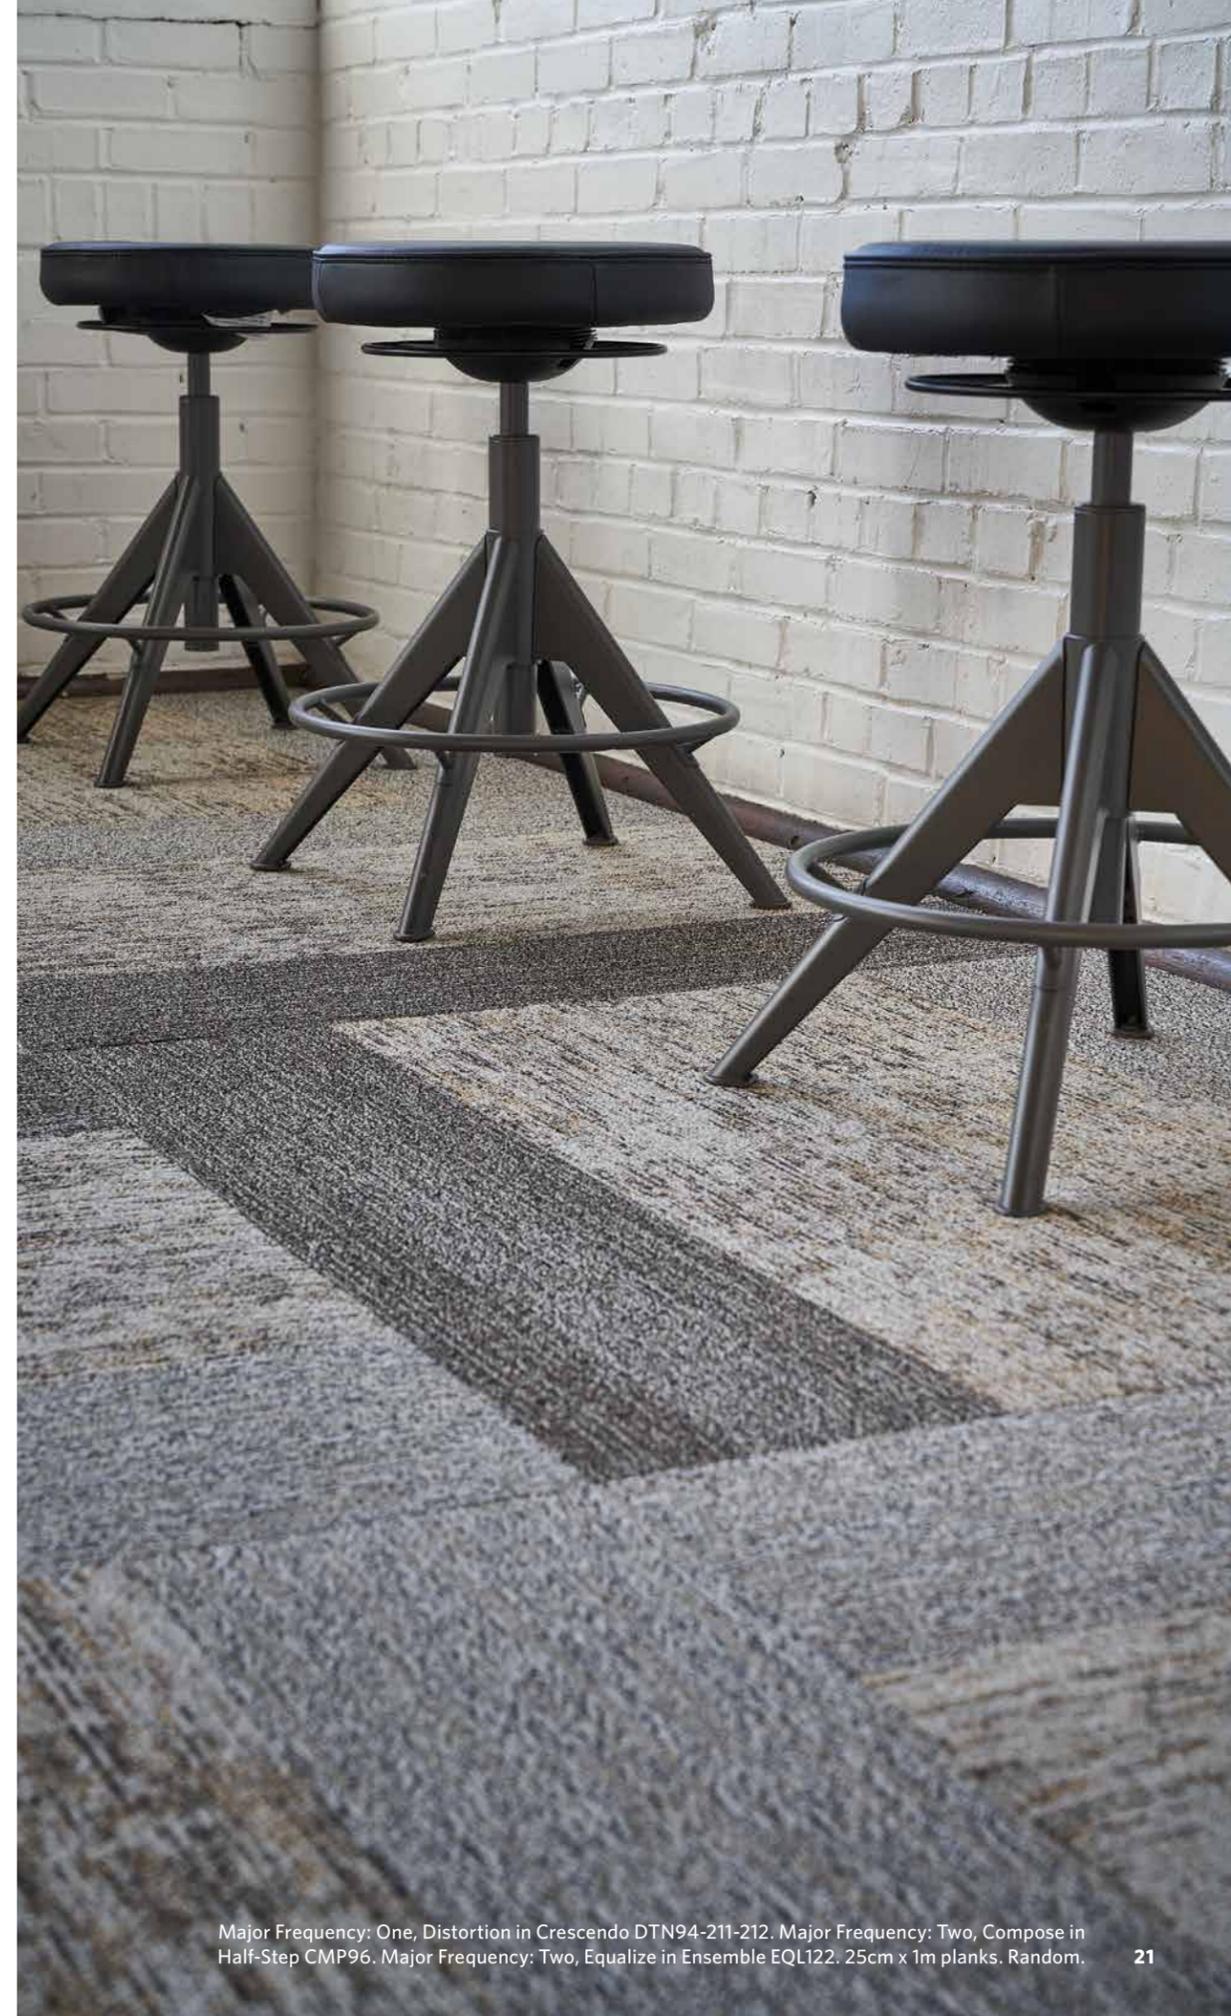

A BACKSTAGE VIEW

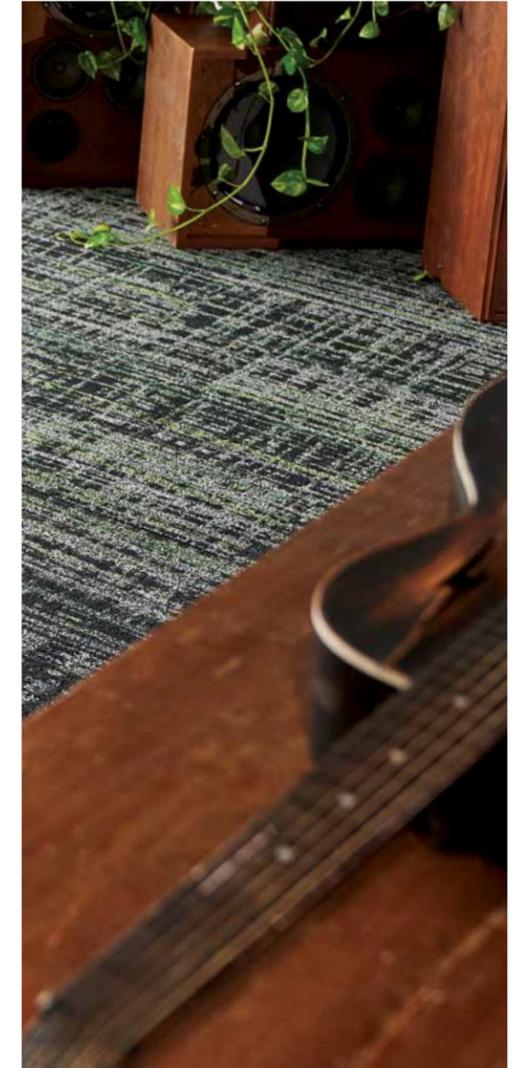

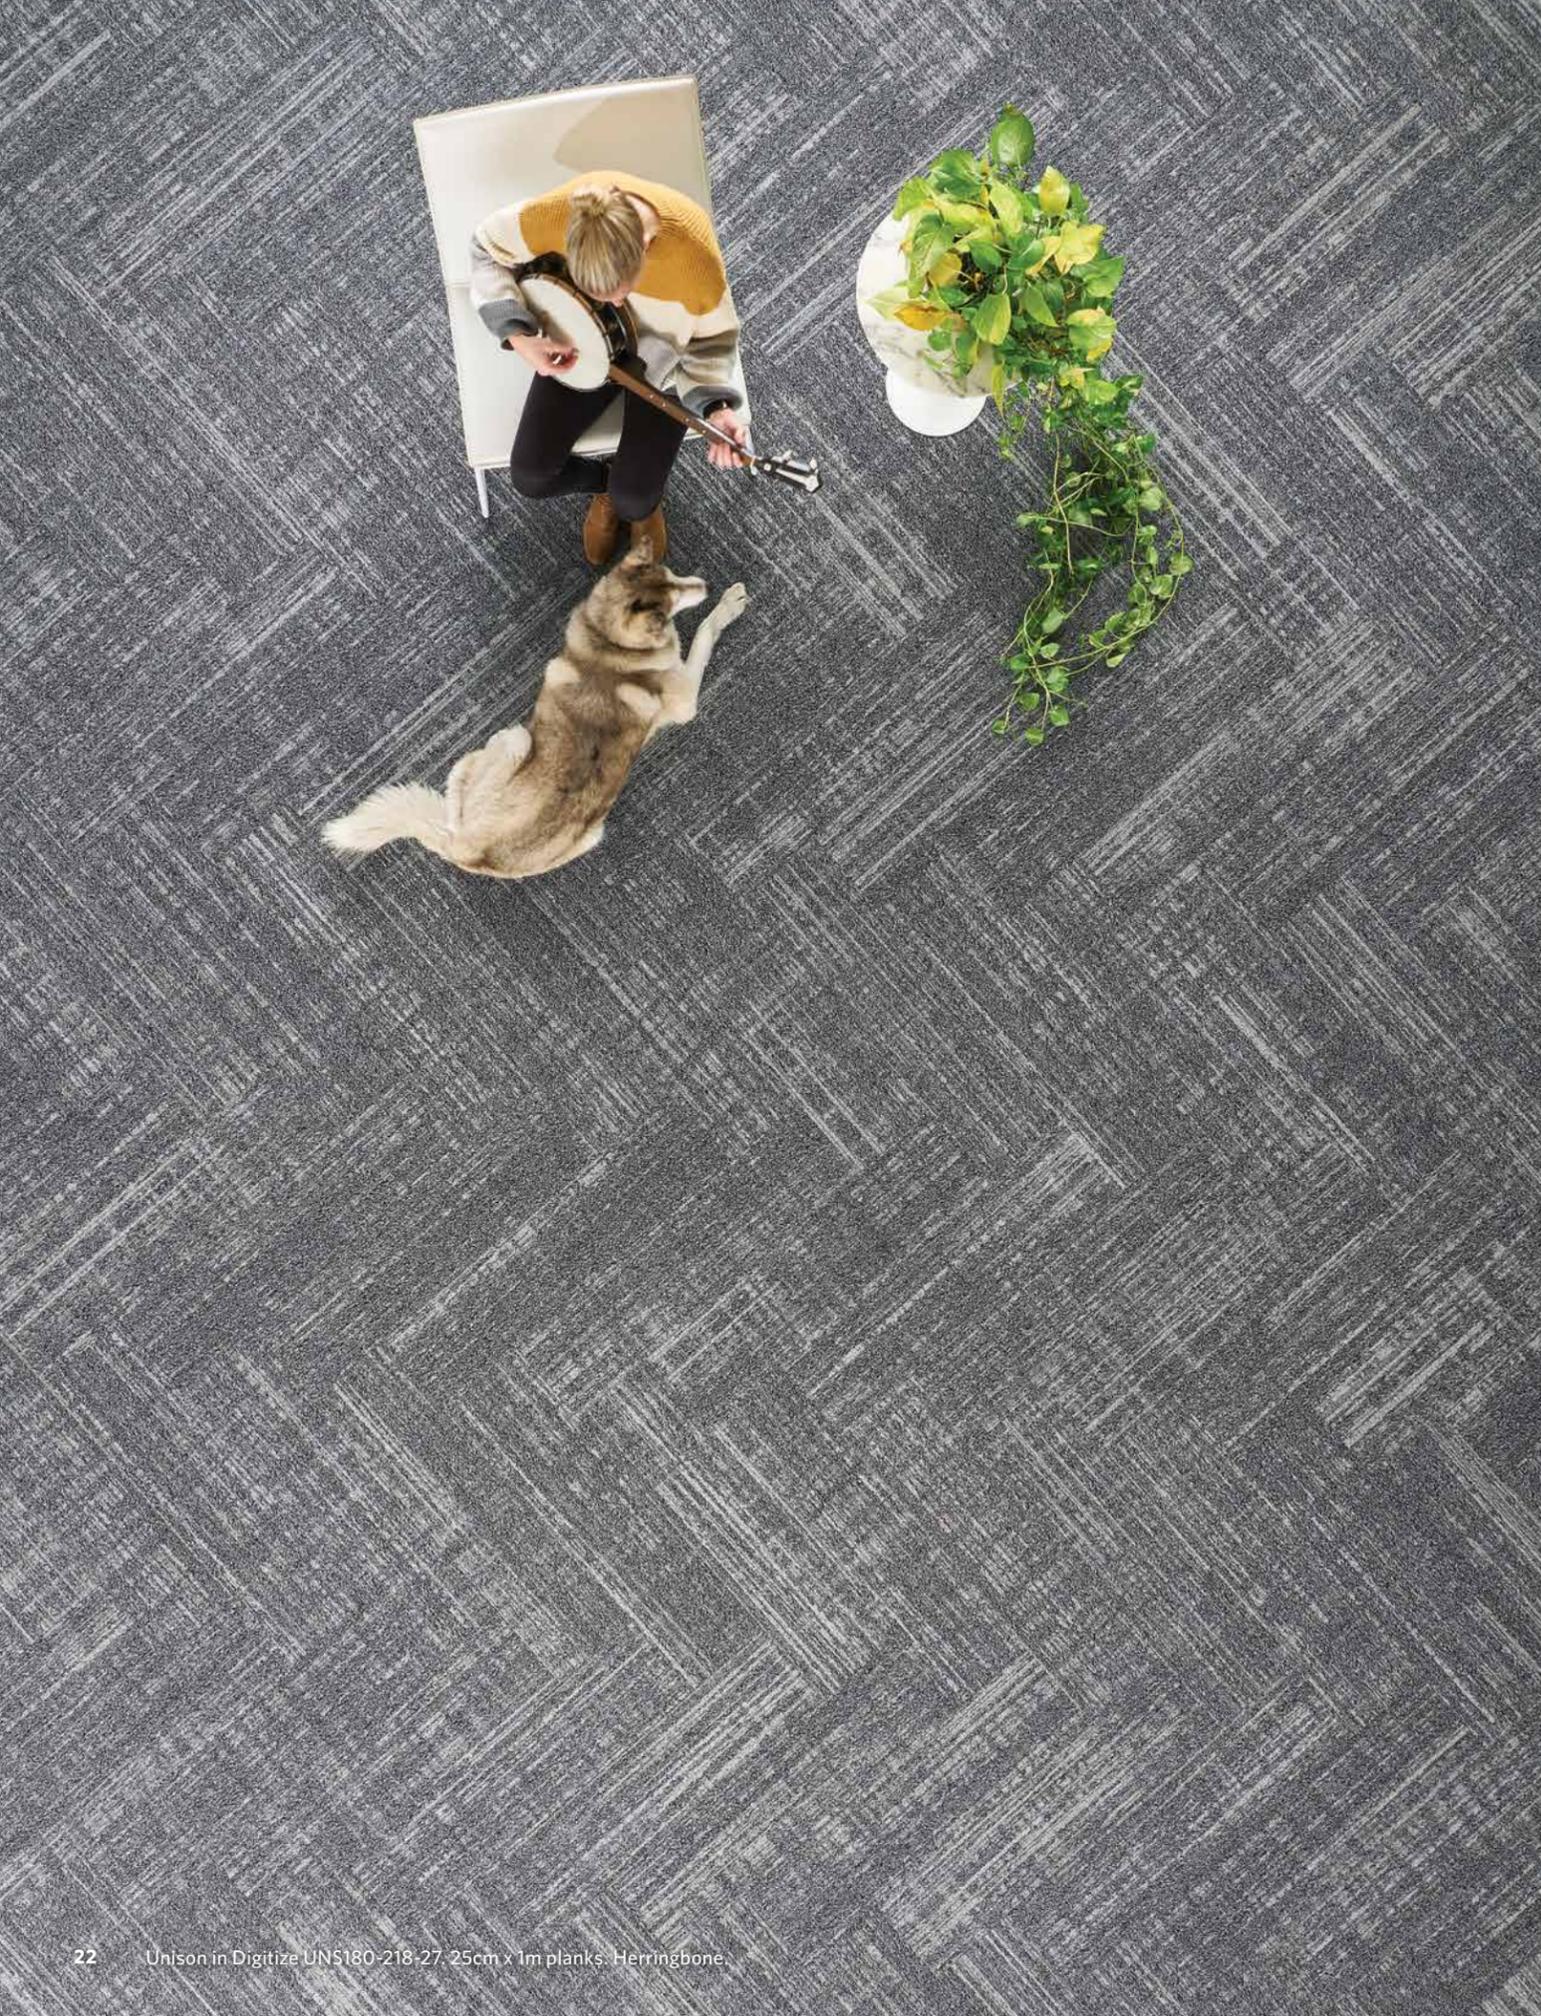

From its initial concept to its final expression, Major Frequency: One, Two, and Three were designed to be the perfect complements to one another. Offering a large selection of patterns and colors, creating a cohesive album with unique floorscapes has never been simpler.

Major Frequency: One, Vibration in Static VBN27-118. Major Frequency: Two, Equalize in Chord EQL152. Major Frequency: Three, Unison in Rhapsody UNS174-154-180 and Impromptu in Rhapsody IPR174-154-180. 25cm x 1m planks. Vertical ashlar.

Major Frequency: One, Distortion in Crescendo DTN94-211-212. Major Frequency: Two, Compose in Half-Step CMP96. Major Frequency: Two, Equalize in Ensemble EQL122. 25cm x 1m planks. Random.
