

THE MAGIC HOUR

LUXURY VINYL TILE

As the sun rises and sets, the sky comes alive with golden tones and light bathes the world in a warm glow. This is what photographers call the magic hour. With The Magic Hour resilient flooring collection, you can design warm interiors using the natural look of wood.

Milliken

THE MAGIC HOUR LVT

We've made it easy to adjust the light.

The wood pattern of The Magic Hour works well in both traditional and modern spaces. Whether your vision calls for deep shades or brighter tones, this collection offers a spectrum of choices to create something magical. This high performance 5.0mm collection features our best-in-class ProGuard MAX™ coating and 22mil wear layer with a 22-year limited commercial wear warranty.
