

COLOR FIELD

Milliken™

INSPIRED.

Dramatic color creates life when there is no distinctive figure to distinguish where one form ends and another begins. Respectful of the boundary, yet driven by the need to explore something larger, our perspective is shaped by the entirety of the canvas, be it one of smooth linen or rough-hewn board.

INSPIRING.

Inspired by the large swaths of color represented in the abstract expressionism style of 'color field' painting, this collection explores the details created when the distinction between subject and background are eliminated. With the ability to discern layers as if they were aged by nature, the collection offers 64 colors to create a quiet floor plane or allow punctuations of color with vibrant hues. This high-performance, severe-rated modular plank allows Color Field to stand-up to the most extreme traffic while maintaining an imaginative color palette.

STYLE BACKED BY PERFORMANCE

Milliken Floor Covering offers products and expertise in all areas of your commercial spaces, including high-performance entryway systems, modular and broadloom carpet, and resilient flooring. Simplify your flooring projects by working with a trusted partner that lets you focus on enjoying the process of creating a great space.

WARRANTY

Our products are backed by lifetime commercial warranties that ensure quality and give peace of mind.

SUSTAINABILITY

Milliken carpet, LVT, and entrance flooring tiles are carbon neutral everywhere in the world. As part of our M/PACT™ carbon neutral program, great care is taken when selecting materials, our carpet materials are Red List Free and PVC Free.

MOISTURE MANAGEMENT

Milliken modular carpet is a moisture mitigation solution all by itself. Our carpet's WellBAC® open-cell backing allows the floor to breathe and moisture to evaporate, unlike hardback products.

STAINSMART®

StainSmart provides lifetime resistance for your carpet against penetrating stains and soil.

WELLBAC® CUSHION

WellBAC® cushion provides superior underfoot comfort while improving the carpet's durability and offering ergonomic, acoustic and environmental benefits.

TRACTIONBACK®

Our bio-based, high-friction coating keeps carpet tiles securely in-place without additional adhesives, eliminating the need to prime or seal the floor, thereby reducing installation time and costs.
