ELEVATED TEXTURES

Embodying a well-tailored linen texture, this pattern provides a touch of everyday elegance to any space it inhabits.

TEXTURAL INTRIGUE

Inspired by the rich texture of velvet burnout, this lively, small-scale geometric design amplifies a room's energy in an understated fashion.

Milliken™ FOR HUMANKIND.

RED LIST FREE

Healthy materials are the foundation for effective circularity, reducing community pollution and cleaner living for all.

- The Living Building Challenge Red List contains the “worst in class” materials, chemicals and elements known to pose serious risks to human health and the greater ecosystem.
- Red List Free certification is the absence of Red List chemicals in building and home furnishings.
- Our products have been completely vetted and verified to contain no Red List Chemicals at levels at or above 100 ppm or 0.01 percent.
- Affords superior recycling potential of clean-based products.

Achieving LBC Red List Free is a commitment to significantly cut down on the output and use of harmful chemicals. It reflects our company’s prioritization on human health and ensuring a brighter future for generations to come.
