

The image features three wooden chairs with woven seats, arranged on a large rug with a geometric pattern of triangles and squares in shades of grey, tan, and blue. The chairs are positioned at the top, middle, and bottom of the frame. A white horizontal bar is overlaid on the right side of the image, containing the text 'LUMENOLOGY' and the 'Milliken' logo.

LUMENOLOGY

PART OF THE NEW CRAFTED IN AMERICA SERIES

We believe institutional spaces can be bright, welcoming environments with the simple introduction of color, texture and pattern to the flooring design. Lumenology Luxury Vinyl Tile allows you bring light and energy into any spaces with its diverse color palette. Part of the Crafted in America series, Lumenology LVT products are also domestically made to ensure reliable, timely delivery.

SUSTAINABLE FEATURES

Milliken LVT is durable resilient flooring engineered with the highest quality raw materials to provide unsurpassed performance and enduring aesthetics. Milliken LVT is 100% phthalate free. All production waste is granulated and recycled into backing production to create an internal closed loop recycling process. Milliken LVT is manufactured at facilities that are ISO 9001 compliant.

Milliken LVT meets many environmental standards, including FloorScore® certified, Prop 65 Free and Phthalate Free, Certified EPD, and Declare.

Declare.

M/PACT™
CARBON NEUTRAL PRODUCT

M/PACT™ carbon neutral products offset the raw materials and manufacturing carbon footprint* by using 3rd party Verified Carbon Standard Credits that support renewable energy and carbon reduction technologies to help fight climate change. When you choose M/PACT products, you can be sure your choice is carbon neutral.

Images in this brochure are approximate for color and pattern scale. Please use actual samples to make your final selections.
