

MESA

Milliken™

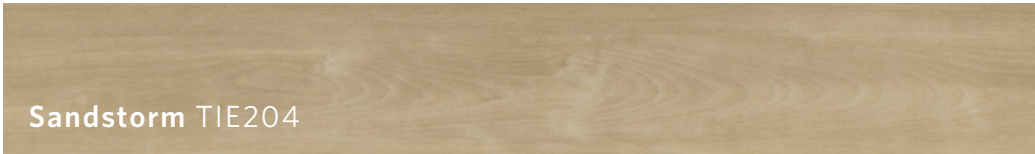

PVC-FREE RESILIENT | RED LIST FREE

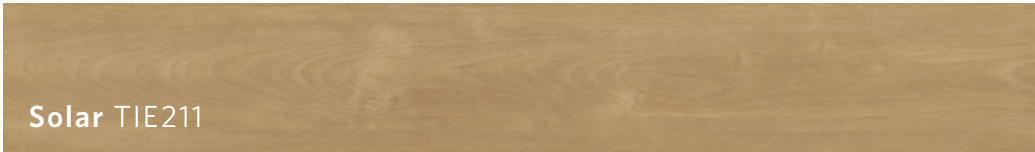

## BEYOND THE ORDINARY

The Mesa collection invites you on a visual journey through northern Chile's coastal desert region. Featuring two patterns, Tierra and Mar, with wood and stone visuals that encompass desert-drenched colorways.

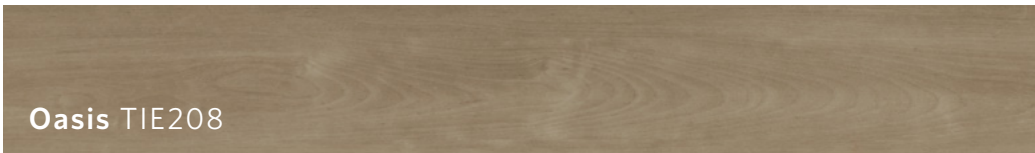

Mesa is a continuation of our PVC-Free portfolio, combining the striking visuals of the desert with environmentally-sound performance capabilities. Mesa brings a grounded sensibility to a variety of settings.

Sandstorm TIE204

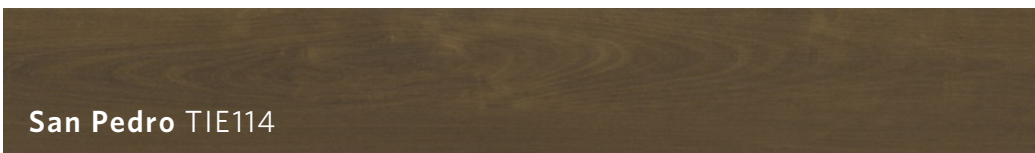

Solar TIE211

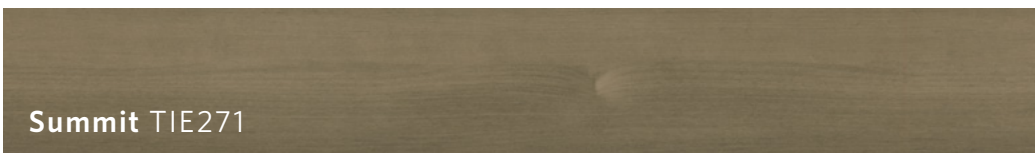

Oasis TIE208

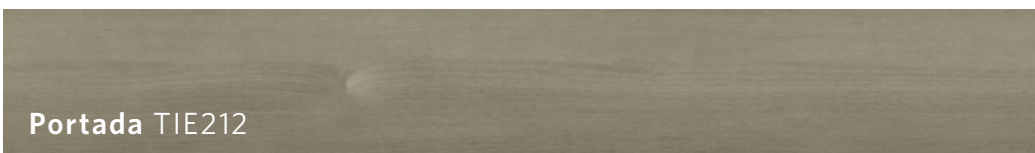

Borderland TIE251

San Pedro TIE114

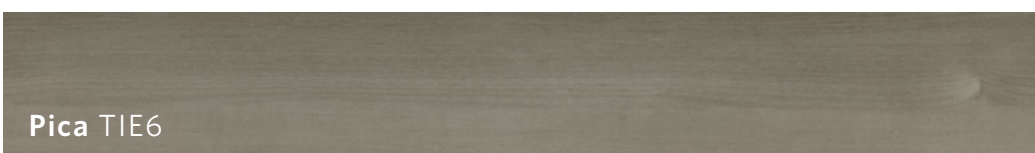

Summit TIE271

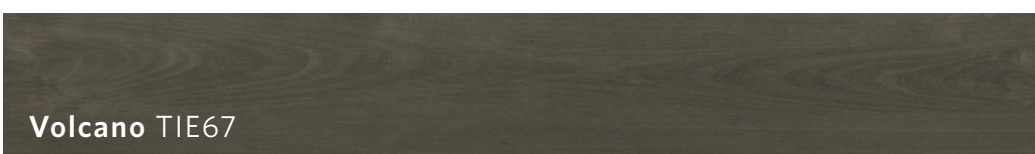

Portada TIE212

Elevation TIE250

Pica TIE6

Volcano TIE67

## TIERRA

A nod to the color palette of desert landscapes, Tierra is a wood pattern with soft striations featured in ten inviting colors.

# MAR

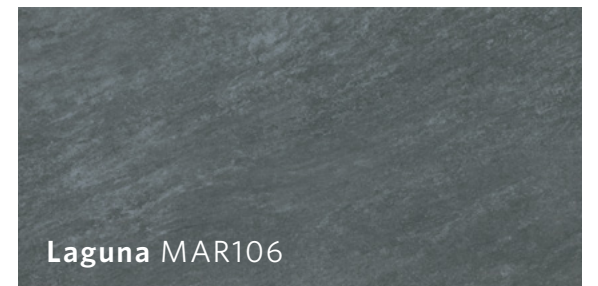

Drawing inspiration from the Valle de la Luna, Mar embraces the beauty of salt on sand in six striking colors.

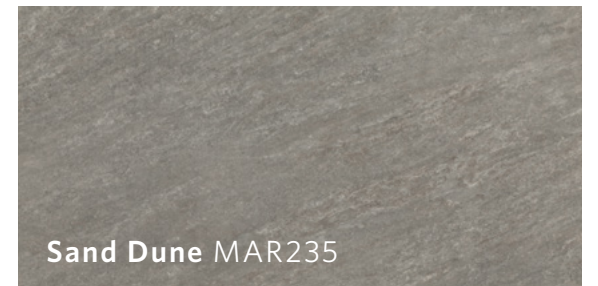

Salt Flat MAR265

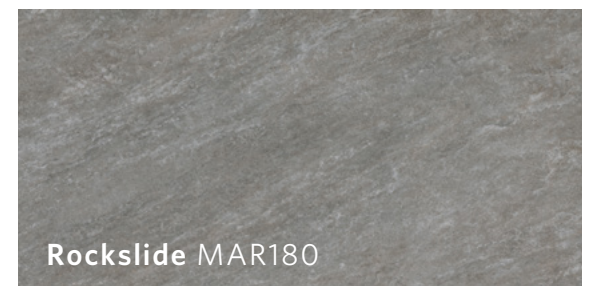

Cloudburst MAR250

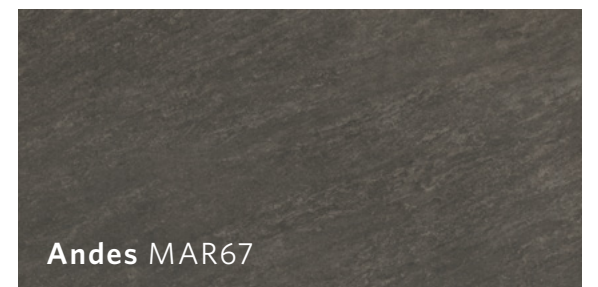

Laguna MAR106

Sand Dune MAR235

Rockslide MAR180

Andes MAR67

ENDURING BEAUTY,  
LASTING VALUE

Invest in your floors for years to come. The combination of environmentally conscious design and inviting visuals makes for timeless interiors.

## SERENE SPACES

Our acoustic flooring is crafted with a holistic approach, as we provide solutions that look beautiful and perform at the highest level. The Mesa collection includes an attached pad that mitigates through-floor noise, keeping out unwanted distractions.

## FLOORS THAT LAST

The PVC-Free Mesa collection effortlessly combines beauty and performance. A 4.5mm overall thickness product with a 20mil wear layer is backed by glue-down construction, providing scratch and stain resistance at maximum commercial performance levels.

# Milliken™ FOR HUMANKIND.

## RED LIST FREE

Healthy materials are the foundation for effective circularity, reducing community pollution and cleaner living for all.

- The Living Building Challenge Red List contains the “worst in class” materials, chemicals and elements known to pose serious risks to human health and the greater ecosystem.
- Red List Free certification is the absence of Red List chemicals in building and home furnishings.
- Our products have been completely vetted and verified to contain no Red List Chemicals at levels at or above 100 ppm or 0.01 percent.
- Affords superior recycling potential of clean-based products.

Achieving LBC Red List Free is a commitment to significantly cut down on the output and use of harmful chemicals. It reflects our company’s prioritization on human health and ensuring a brighter future for generations to come.

## M/PACT™ Carbon Neutral Product

Climate change is one of the greatest threats facing humanity. That’s why our flooring products are carbon neutral everywhere in the world. Let’s work together for a better tomorrow.

## Sustainable features

Milliken’s durable, resilient flooring is PVC-Free and Red List Free. Each product is engineered to be both striking and sustainable, helping you find a no-compromise pathway to reach your sustainability goals and simultaneously achieving desired aesthetics. All production waste is granulated and recycled into backing production to create an internal closed loop recycling process.

Milliken resilient flooring meets many environmental standards, including FloorScore® certified, Prop 65 Free and Phthalate Free, Certified EPD, Red List Free, Declare, and Practice Greenhealth.
